Tvrdošín, Slovak Republic  
Programming Arduino in C++, basics of python and starting point in my Web Development jouney (HTML, CSS)  
  
SEP 2021 - JUNE 2025

## ABOUT ME

I'm Adrian Finik from Orava. I started programming in high school with HTML, CSS, and JavaScript. Now I specialize in Next.js development, working on client projects and personal experiments with modern technologies like Prisma ORM and Framer Motion. I focus on creating functional, visually appealing websites using cutting-edge 2025 technologies.

## SKILLS

|                             |                        |
|-----------------------------|------------------------|
| HTML, CSS, JS/TS - Advanced | <div><div></div></div> |

| Database management - Basic | <div><div></div></div> |
| PostgreSQL - Skillful       | <div><div></div></div> |
| SQL - Basic                 | <div><div></div></div> |

## LANGUAGES

**English** - Upper intermediate (B2)  
**Slovak** - Proficiency (C2)

### INTERESTS OR HOBBIES

In my free time, I like to spend time outside, whether it's a simple walk in nature or a workout in the park. It doesn't matter.
